Month in Review

During the December 5th meeting a motion to hire an Executive Director was approved. Chapter President, Steve Erhardt commented "I'm proud to announce the addition of Tim Gates as our Chapter Executive Director effective 1/1/15. This move will transition the Chapter from a long history as a Volunteer led organization to a Management led organization allowing continued sustainability. Tim's Army experience, knowledge of Fort Leonard Wood, and passion for our community and AUSA make him well qualified for this opportunity. Welcome Tim!"

Please join us the first Friday of every month to see what our local chapter is doing! Please view our monthly and annual newsletter online at www.ausa.flw.org!
