Month in Review

The monthly membership meeting was held on November 1 at the Hampton Inn. There were 20 plus attendees including Corporate members, Retirees, Active Duty, Guard, and Reserve, all excited to tell their experiences at the Annual Meeting in Washington DC. Our Chapter received two banners at the meeting for Excellence in Corporate Growth and for Reserve Component Growth. SSG Jonathan James, Drill Sergeant of the Year gave an overview of the Annual Meeting. He was one of the 10 Soldiers our Chapter sponsored to make the trip to our Nation's Capital. SSG James claimed it was one of the most uplifting events he has attended and that they wore our Chapter ribbons proudly. The Soldiers attending also got to see other historical sites in Washington DC. Also, in attendance was our new members from RGG Law Reynolds, Gold, & Grosser, P.C., Robert Grosser and Martin Spiegel. The next meeting will be held December 6 at 0730 in the Hampton Inn, St. Robert. ***More to come about the Annual Meeting in the Special Edition
